# Reductionism

## From The Personal to The Political

X-Student Research Group  
Led by Mihnea Chiujea  
Institut für Philosophie, FU Berlin

Wednesday, 17:00–19:00  
KL 29/239 Übungsraum  
(Habelschwerdter Allee 45)

Attending the first meeting on 16 October is mandatory for participation. If you are unable to attend, send an email to [mihnea.chiujea@fu-berlin.de](mailto:mihnea.chiujea@fu-berlin.de)

Can a theoretical framework derived from what is known in metaphysics as reductionism about personal identity be extended to prove the irrationality of right-wing conspiracy theories, such as the great replacement (GR)? Can it be shown that the concerns of the GR should be replaced by a concern for the rights of the individuals? This research group will provide an opportunity to conduct original research on these topics, which will be presented in a workshop. Training in using research tools and sourcing literature provided.
